ACT/047/005  
Uintah County, Utah

Dear Mr. Porritt:

Enclosed you will find the public notice relative to the Division's tentative approval of the mining and reclamation plan submitted for the P & E Mine.

Your plans are hereby given tentative approval by the Division. Publication of the notice, one time only, will now take place in a state-wide newspaper, as well as a local paper in Uintah County. During the thirty (30) day period following the last date of publication the Division is open to receive comments from the public on P & E's plan.

Should no objections of substance be received during the thirty (30) day waiting period, the plan will be granted final approval pending the posting of a surety to cover the reclamation costs outlined in your plan.

Please contact the Division if you have any inquiries on this process.

Yours truly,

DIVISION OF OIL, GAS, AND MINING
